

Living Word CDC Newsletter

December 2024

A Note from the Administrator:

The CDC is bustling with excitement for Christmas! We are starting to practice for our Christmas program and the doors are being decorated for our yearly competition! Café Christmas will be open again this year, which is the dinner served by church members for families before the program. Please watch for the sign ups later this month. We look forward to celebrating the birth of our Savior! Merry Christmas!!

A Visit with the High School

We had a great visit with students in the Art Fundamentals class from Living Word High School. The students wrote and illustrated their own children's books and came to the CDC to share them with us! We are so thankful for this partnership!
